E. J. SHAYLOR'S

List and Prices of

DOUBLE AND SINGLE HERBACEOUS PÆONIES

IN addition to this list, I have growing in my grounds over fifty new varieties imported from Victor Lemoine & Son, France, and Kelway & Son, England. These will all flower in 1902, and I shall then offer them for sale after knowing more of their value. They are the latest French novelties, and the new race of Imperial Pæonies by Kelway. The French Pæonies are by the best known horticulturists, such as Crousse, Calot, Dessert, Lemoine, and others.

My aim is to supply as good Pæonies as there are in the world.

Prices by the hundred a subject of correspondence or personal interview.
